Current Industry Experience

Pamela Bertovich recently formed PLB & Associates LLC located in Warrensville Hts., Ohio. The company has a management portfolio of over 732,000 square feet of commercial space. In addition, Pamela has extensive experience in the disposition and acquisition of investment properties, including NNN and sale/leasebacks. Pamela works with clients to identify, acquire, develop and manage real estate that enhances company productivity, creates financial value, and responds to employee and customer needs.

Professional Accomplishments

Pamela was a partner with Premier Commercial Realty Partners and Vice President of Office and Industrial Real Estate at CRESCO Real Estate for 21 years. Pamela's primary focus was acquisitions and dispositions of investment properties and tenant and landlord representation. She has completed many investment transactions and over 400 commercial real estate transactions. Pamela also has extensive knowledge and experience in asset and property management.
